

# FOLDABLE TABLETOP LECTERN

Assembly Instructions  
(For Item#: MT-M8833-LECT-GG)

**This M8833- Foldable Tabletop Lectern** only has 2 separate pieces: one top panel which is used as the angled reading surface, and one set of three hinged stand panels (left side, right side and middle side panels hinged together). It is very easy to install. When installing, please refer to the below four pictures, you just need open the set of three hinged stand panels (first open the left side panel, then the right side panel) and put it upright on a counter, then put the top panel onto the set of three hinged stand panels with a simple flip of a clasp.
